

FCC Commissioners  
The Federal Communications Commission RE: Docket 04-435  
445 12th Street, SW  
Washington, DC 20554

Dear FCC Commissioners ,

I am writing to voice my concern about the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

My concern about cell phone use on aircraft is similar to my concern about small children onboard aircraft: I don't want to have to listen to the crying/sniveling/howling/whining/yelling/screaming of either cell phone conversations or undisciplined children.

Perhaps there could be "annoying" and "non-annoying" sections on aircraft.

Sincerely,

Schurkey Swanke
